

David Duc-Trung Nguyen - CV

Student, Institute of Informatics, University of Bergen, Norway

dkdanid@outlook.com | <https://github.com/wanderingduc> | <https://wanderingduc.github.io>

Education

Bachelor of Computer Science (Currently enrolled) <i>Institute of Informatics, University of Bergen</i>	08.2023 – Present
Drammen High School <i>3.9 GPA</i>	08.2020 – 06.2023

Personal projects

Portfolio website

Front-end: HTML, CSS, JavaScript

Back-end: Java (Spring Boot), PostgreSQL

2-Player Tic-tac-toe

Front-end: HTML, CSS, JavaScript

Soft skills

Communication

Good at taking in information and communicating my own thought about the relevant topic.

Problem-solving

I value finding the best and most efficient solution possible for any given problem.

Teamwork

I work well in teams and can communicate in an accurate and efficient manner based on the conditions present.

Hard skills

HTML

I have an intermediate understanding of HTML and can use it to produce front-end applications.

CSS

I have an intermediate understanding of CSS and can use it together with HTML to produce front-end applications.

JavaScript

I have an intermediate understanding of JavaScript and its data structures and have experience using it to power the front-end of an application.

Spring Boot (Java)

I have a basic understanding of the Spring Boot framework and can use it to build a basic REST API. I also have some experience with CRUD development using Spring Boot.

PostgreSQL

I have an intermediate understanding of relational databases, and I have some experience using PostgreSQL to manipulate such database.

Fusion360 (CAD)

I have experience using Fusion360 to make CAD models and technical drawings for production of computer peripherals.
